**April 2019 - Featured Manufacturer: The Keckley Company
M&M Distributes the Finest Names in the Industry!**

About Keckley: The Keckley Company was established in 1914 with its initial focus on steam and liquid control equipment.

Since then, Keckley engineering and manufacturing has advanced industry and commercial building installations worldwide, expanding its product line to fill the needs of the industry.

Today the company is a premier reliable valve and strainer manufacturer and its products are used in a wide variety of industries such as bottling companies, airports, steel mills, pulp & paper facilities, pharmaceutical companies, U.S. military facilities, ships, trucks, dams, power generation, global petrochemical refineries, manufacturing facilities, hospitals, and stadiums.

M&M Control offers a full line of Keckley products. For additional product detail, please refer to our [Keckley](#) pages or give us a call today!

A graphic advertisement for The Keckley Company. At the top left is the 'KECKLEY' logo with a red double-headed arrow. To the right is the phone number '1-800-876-0036'. Below this is a collection of various industrial valves and strainers, including a large grey valve, a smaller grey valve with a red handle, a complex grey valve assembly, a circular grey strainer, a green valve, a brass valve, a green valve with a blue handle, and a green valve with a large green handle. At the bottom of the graphic is the text 'The Keckley Company . . . Providing Reliability & Quality' in a red, serif font.

Call us today for assistance at 1-800-876-0036 or visit our Web site to see our other fine lines as well at www.mmcontrol.com. Thank you! We look forward to hearing from you.

Sincerely,
