## FIREYE Flame Safeguard & Combustion Controls

### Fireye Flame Monitoring

**Fireye** is a technical pioneer and leading manufacturer of flame safeguard, combustion efficiency, and burner controls for a wide range of industrial and commercial applications.

Product includes various flame scanners, amplifiers, burner controls and accessories, and burner management systems. Applications range from single-burner boilers and furnaces used in schools and hospitals, to the largest multi-burner boilers used in power utilities, pulp and paper mills, petrochemical refineries, and factory and food processing plants.

**Fireye efficiency products offer benefits such as fuel savings, emissions reduction, and enhanced operational capabilities.**
